Dear Premier Bob Carr,

Herewith copy of "Timber Living" Magazine (Issue 8).

I wish to draw to your attention the article entitled "Aquarius Still" (p.30) which makes reference in part to yourself and the personal actions taken by you in 1988 in respect to the introduction of the "Multiple Occupancy (SEPP-15) Policy.

Despite our best efforts with Minister Craig Knowles to bring about the reinstatement of this policy, this has been to no avail.

Your assistance is now sought to bring about the reinstatement of this Policy as a matter of urgency

Thanking you in anticipation,

Complements of the season to yourself and family.

Yours sincerely,

.....

Dear Mr Hamilton

The Acting Premier has received your recent letter concerning SEPP 15.

Your views have been noted and the Acting Premier appreciates the reason which prompted you to write to him on this occasion.

As the matter you have raised primarily concerns the administration of the Minister for Urban Affairs and Planning, and Minister for Housing, the Hon C J Knowles, MP, the Acting Premier has arranged to bring your approach to the Minister's attention.

You may be sure that your comments will receive close consideration.

Yours sincerely

John Grant
