1. i) Telephone the Canon Infoline (02) 9805 2864 during business hours. They will assist you with your query.
ii) After business hours please leave a message on the Canon Infoline. We will return your call during the next business day.
2. If you have access to a modem and a communications program, you can obtain updated printer drivers and other technical support information from our internet site. Please check our site for details on availability of drivers and products on <http://www.canon.com.au>

Canon recommends that you use only original Canon consumables. Non Canon consumables may be incompatible with this product. To the extent allowed by Federal and State legislation, Canon accepts no responsibility for malfunctions caused by the use of incompatible consumables such as ink and toner cartridges.

Warranty terms and conditions:

Canon warrants that the Equipment shall be free of any faulty parts or workmanship for a period of 12 months from the purchase date. The warranty is subject to the following conditions:

1. The Customer shall inform Canon, or its Authorised Service Agent, as soon as a warranty claim arises.
2. The Customer shall arrange for the Equipment, suitably packed to prevent damage in transit, to be

(please turn over)

returned to the original Canon Retailer or other nominated Service Agent, as may be directed by Canon or its Authorised Agents. The Customer shall be responsible for and shall pay all packing and freight costs to and from the Canon Retailer or Service Agent, as advised.

3. The Customer shall include with the Equipment a notice in writing specifying the fault, TOGETHER WITH the Sales Docket, or other documentation evidencing the purchase of the Equipment. NO WARRANTY CLAIM WILL BE VALIDATED UNLESS THE CUSTOMER CAN ESTABLISH PURCHASE OF THE EQUIPMENT FROM CANON AUSTRALIA PTY LTD OR ITS AUTHORISED RETAILERS.
4. Canon's Authorised Agent shall examine the Equipment on delivery. Canon or its Authorised Agent may validate the warranty claim, in which event it or its Agent shall repair or replace any faulty parts or rectify any faulty workmanship free of charge or expense to the customer, and shall arrange for the Equipment to be returned to the Customer at the Customer's expense. Canon does not warrant that repair and re-delivery shall take place within any particular period, and shall not be liable for any loss or consequential damage while the Equipment is being repaired.
5. Canon, through its Authorised Agents, may invalidate a warranty claim if the defect complained of has arisen, wholly or substantially, for any reason other than faulty manufacture, parts or labour. If Canon, through its Authorised Agents, invalidates the warranty claim, it shall inform the Customer of same. Canon's Authorised Agent will repair the Equipment at the Customer's request, provided that the Customer shall pay the Canon agent its usual charges in respect of such repair within agreed terms from the date of invoice. Customer shall be responsible for re-delivery of the Equipment to the installation address. All consumables such as print heads, print cartridges and paper are not covered by this warranty.
6. To the fullest extent permitted by law, all other warranties are hereby expressly negated, and Canon shall not be liable to the Customer in respect of any loss or damage, whether direct, indirect or consequential, arising out of the Customer's purchase, use or non-use of the Equipment, including, without limitation, any fault in respect thereof (excluding direct loss or damage arising out of Canon's sole neglect). Canon, to the extent permitted by law, shall limit its liability in respect of any warranty or obligation imposed in Division 2 of Part V of the Trade Practices Act, to undertaking any of the actions specified in Section 68A(1)(a) of the said Act.

EXTENDED WARRANTY

The Harvey Norman Group of Companies agrees to extend warranty by either 2, 3 or 4 years (as indicated on your purchase docket) to a maximum total of 5 years from date of purchase, on merchandise as specified and in domestic use only, against mechanical, electrical and/or electronic breakdown.

The maximum period available, including Manufacturers Warranty is 5 years.

*The extension of this warranty is subject to original Manufacturer's
Conditions of Warranty.*

This extended warranty covers parts and labour during normal business hours, but excludes freight and travelling time and is subject to the exclusions contained herein.

All extended warranty claims and inquiries should be directed to:-

within 30 day of purchase
Net done.

EXCLUSIONS

- a) **ANY PART OR CIRCUMSTANCE NOT COVERED BY THE ORIGINAL MANUFACTURER'S WARRANTY.**
- b) *Damage caused by negligence or misuse or failure to service the equipment according to manufacturer's recommendations.*
- c) *All non electronic or non mechanical or non electrical or consumable parts (including batteries, elements etc).*
- d) *Disk head alignments, stylus and magnetic heads. All accessories including but not limited to remote control, head phones, etc.*
- e) *Consequential Loss or damage of any type whatsoever.*
- f) *This warranty is not transferable.*
- g) *The equipment is not used in commercial application.*
- h) *Rust of any description.*
- i) *Should the Manufacturers Warranty be less than 12 months then the Harvey Norman Extended Warranty shall be limited to twice that of the Manufacturers Warranty. i.e. If Manufactures warranty is 3 months then Harvey Norman Extended Warranty is 6 months.*

Claims Procedure

In the event of an extended warranty claim please ring 1800 810 118 (Free call) for directions to one of our authorised repairers.

For expediency please have your Harvey Norman purchase invoice available when phoning.

Note: *No claim will be recognised unless the above procedure is adhered to.*

Using your Kambrook Toastmate Toaster

Place toaster on dry, level surface.

Plug into a 230-240V-power outlet.

Turn power on.

Place up to 2 slices (or 4 if you have purchased the Toastmate 4 slice) of desired bread, muffin or crumpet into bread slot(s).

Select toast browning level required, from 1 to 9, using the browning control dial.

The first time the unit is used, we recommend that this control be set to number 4.

Depress carriage control lever to the locked position. Toasting cycle will immediately commence.

The toaster will automatically release the carriage and raise the toast when the desired toasting process is complete. This will also turn the unit off.

Manual cancelling of the toasting process can also be achieved at any time in the process by depressing the cancel function button.

⚠ WARNING: Never attempt to extract jammed toast, muffins, crumpets or any other item with a knife or any other object, as contact with live elements may not only damage the elements but cause electrocution.

Never operate the toaster on its side and never add any food substances to the bread, muffins, or crumpets as this can lead to electrocution.

Do not operate the toaster without the hinged crumb tray in place. The crumb tray should be cleaned regularly. Do not allow crumbs to build up in the crumb tray

This Kambrook toaster is electronically controlled, and will not lock down in the toasting position until the toaster is plugged into a 230-240V power point and switched on.

Maintaining your Kambrook Toastmate Toaster

Always turn the power off and remove the plug from the power outlet before cleaning your toaster.

Cleaning

The crumb tray should be cleaned regularly. Do not allow breadcrumbs to accumulate in the bottom of the toaster.

Exterior Cleaning

Exterior of the toaster can be cleaned with a damp cloth and wipe dry.

Never use any abrasive or chemical product to clean the exterior of the toaster.

Crumb Tray

To remove crumbs from toaster, ensure the power is switched off and disconnected prior to cleaning.

Gently shake the unit (in upright position), this is best done over sink or rubbish bin.

With thumb/finger placed in groove found on the bottom of the unit, slide the bottom metal plate to the right (towards the control panel end) and gently pull the crumb tray down.

Clean crumb tray with dry cloth and return to toaster before using again.

If damp cloth or water is used to clean the crumb tray, ensure that the tray is thoroughly dried before placing the tray back into position.

To secure the crumb tray again, close the tray on the unit with thumb/finger in same groove slide to the right and release, ensure that it is clipped back into position.

Features of your Kambrook Toastmate Toaster

2 extra wide slots

9 position browning control with cancel function

Integrated lever

4 extra wide slots

Integrated lever

Pull down crumb tray

Kambrook Safety

Welcome to Kambrook and your new Toastmate Toaster.

At Kambrook we believe that the safe performance of our products is the first priority in any consumer product so that you, our valued customer, can confidently use and trust our products.

We ask that any electrical appliance that you use be operated in a sensible fashion with due care and attention placed on the following important operating instructions:

Read all instructions thoroughly before activating the appliance and retain them for future reference.

Ensure that the power source to be used is the same as the voltage requirements of the product.

Bread may burn. Therefore this toaster should not be used near or below curtains or other combustible material and it should be supervised at all times when in use.

Keep clear of walls and other heat sensitive materials. Minimum 200mm distance.

Always switch the power off and unplug from power outlet when not in use, before moving and before cleaning.

Place the appliance on a dry, level surface.

Do not touch hot surfaces. Use side areas for lifting and carrying the appliance.

Never immerse the power cord or appliance in any form of liquid.

At no times should the appliance be left unattended during food preparation.

This appliance is not intended for use by young children or infirm persons without supervision.

Close supervision is required at all times when operating the appliance near children.

Young children should be supervised to ensure that they do not play with the appliance.

Do not leave appliance where children can touch hot surfaces.

Do not let the power cord touch hot surfaces or become knotted, or hang from the edge of bench tops.

Do not place on or near a hot gas burner, electric element, or in a heated oven.

Suitable for domestic use only.

Not intended for use in moving vehicles or boats.

Do not use outdoors.

Do not operate the appliance if the cord, plug or appliance itself becomes damaged. Should this occur return the entire appliance to the nearest authorised Kambrook Service Centre for examination, replacement or repair.

Kambrook 12 Month Replacement Warranty

KAMBROOK warrants the purchaser against defects in workmanship and material, for a period of 12 months from the date of purchase (3 months commercial use).

Guarantee and purchase receipt for this product are to be retained as proof of purchase and must be presented if making a claim under the terms of the KAMBROOK guarantee.

KAMBROOK reserves the right to replace or repair the appliance within the warranty period.

Warranty does not apply to any defect, deterioration, loss, injury or damage occasioned by, or as a result of the misuse or abuse, negligent handling or if the product has not been used in accordance with the instructions. The guarantee excludes breakages and consumable items such as kneading blades.

This warranty is void if there is evidence of the product being tampered with by unauthorised persons.

YOUR PURCHASE RECORD (Please complete)
