Dear Sir,

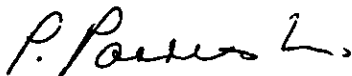

**Re: Tree Removal at 47 Paterson Street, Byron Bay**

Please be advised that there is a Norfolk Pine tree growing in the street at 47 Paterson Street.

I am concerned that at some time the tree (which is growing on a slope) may topple and damage my neighbour's residences or mine.

I would appreciate if Council would commence proceedings to have the tree removed.

Yours faithfully,

P. Parish.

Dear Sir,

Re: Tree Removal at 47 Paterson Street, Byron Bay

There is a large Norfolk Pine tree growing in the street on the border of my property 49 Paterson Street and my neighbour 47 Paterson Street. This tree was planted by a prior resident of number 47 and is totally unsuitable in this environment.

Both my neighbour and I are concerned that as this tree continues to grow and age it could fall and damage property or injure someone at either of our residences.

I would appreciate it if council would remove this tree as soon as possible.

Yours faithfully,

*J. E. Milne*
