The Nimbin Aquarius Foundation Incorporated

Is the umbrella organisation of
the 20th, 25th and 30th
Anniversary Nimbin Aquarius
celebrations...

An information, ideas and
energies exchange network
fostering the Spirit of Aquarius.

The original Nimbin Aquarius Festival, May
12-23, 1973, initiated by the Australian
Union of Students, stands as a monument
to a major cultural shift in the Northern NSW
region. That festival is universally
acknowledged as "Australia's Woodstock".
But unlike the event at Woodstock, it was a
convergence of a generation in search of a
paradigm shift. People from around Australia
converged on Nimbin to share their ideas
and lifestyles in shaping an art-form to build
a kinder world.

This journey, 30 years on, is as important
as it was then - a vision quest for a world of
caring and sharing. The Nimbin Aquarius
Foundation was formed in 1993 to help
facilitate the Aquarius vision.

You can support this vision by becoming a
financial member and contributing your
ideas and energy to a better and fairer
world.
